Dear Customer,

The Actrol website offers you secure access to your own pricing details over the Internet; all you have to do is complete the form below and return to us for verification.

You will then receive your unique password that will afford the user access to your current account pricing.

Security of the password of course rests with the user and if you decide not to activate this facility, you can still access our standard list price for your convenience.

Due to the sensitive nature of the data you will be accessing once your password is issued, we will need to verify all information sent to us in this application form. Your patience during this process would be very much appreciated.

If you have any problems or require further information either call (03) 9894 1033 or email: enquiries@actrol.com.au for assistance.
