

Throw away that old wet rag - here's your new space-age WetRag

Block the heat with the new Viper WetRag

Viper WETRAG® is a reusable putty made from the same materials found in the heat shield of the space shuttle.

Simply apply, remove and reuse!

FEATURES

- Reusable like a wet rag
- Protects surfaces, valves and other sensitive parts from heat damage
- Blocks direct and conductive heat transfer
- No mess formula
- Use with MAP/Pro, Oxy/Acetylene, Mig, Tig, Arc and Propane torches
- Non toxic
