Cleaner Selection Guide

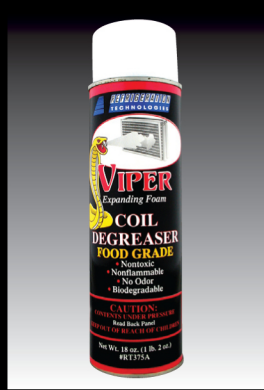

Viper Brite

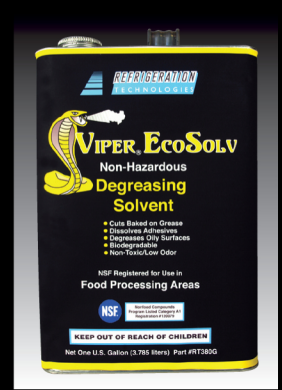

Viper E+

Viper

Viper HD Viper EcoSolv

VIPER BRITE (formerly CARBONEX) is a high foaming aluminum brightener that is highly aggressive against all soils. Best results are obtained when applied through our Carbonex Foam Gun. It contains a hazardous component, sodium hydroxide, so it may not be suitable for all users, surfaces or situations.

VIPER E+ (formerly E+) is a food grade enzyme based evaporator coil cleaner that does not require rinsing. This is a non-toxic, bio-degradable detergent proven to outperform all other evaporator coil cleaners. Deodorizes smelly coils and digests sludge deposits in the pan and drain.

VIPER is food grade aerosol coil degreaser that is used to clean smaller coils. It is an exceptional cleaner having no odor, no toxicity or cause irritation to the skin. Condenser coils only require a light water rinse and there is no need to rinse with evaporator coils.

VIPER HD (formerly DOUBLE DUTY) is a concentrated version of our Viper coil degreaser for use on larger jobs. Product can be diluted up to 20:1 with water or used through our Carbonex Foam Gun. This is a non-hazardous food grade product having impressive cleaning action for a wide variety of surfaces and applications.

VIPER ECOSOLV (formerly 20/20) is a revolutionary non-hazardous food grade degreasing solvent. It is based on esters of corn and soy bean oil. Cuts baked on grease with ease yet so mild you can use it as hand cleaner. Use full strength as a soaking agent for your toughest cleaning jobs.

SOIL TYPES

	Heavy Cooking Grease	Moderate Cooking Grease	Petroleum Grease	Food Stains	Tobacco Stains	Metal Oxidation Rust	Dirt Lint Debris	Plant Animal Debris	Calcium Scale Lime
Viper Brite	E	E	E	G	E	E	E	G	F
Viper E +	G	E	E	E	E	F	E	F	F
Viper	G	E	E	G	G	F	E	G	F
Viper HD	E	E	E	E	E	G	E	G	F
Viper EcoSolv	E	E	E	E	G	G	G	E	F

SURFACE MATERIAL

	Aluminum	Copper	Stainless	Steel Iron	Painted	Polymer Coated	Plastic	Rubber	Composite
Viper Brite	E	G	NR**	G	NR*	NR	NR	G	NR
Viper E +	G	E	E	E	E	E	E	G	E
Viper	G	E	E	E	E	E	E	E	E
Viper HD	G	E	E	E	E	E	E	E	E
Viper EcoSolv	G	E	E	E	NR*	NR	NR	NR	NR

* removes loose paint ** may cause bluing
 E = Excellent G = Good F = Fair NR = Not Recommended
